Textbooks must be ordered each term. To order required supplies, call General Merchandise department at 556-3723.

When reordering course packets, please indicate if revisions will be necessary.

Required: The required book will be regularly used in the classroom. Students will be expected to complete reading assignments from the book and possible open book quizzes.

Preferred: The preferred book is an important resource for the successful completion of the course, will be referred to in class and may be the source of some exam questions.

Optional: The optional book contains information, which may be a helpful enhancement to the course material because of its reference value.

Available: The available book is considered an interesting resource and is available for the more serious student who seeks additional information pertaining to course material.
